

I'm looking
forward

to hearing
from you soon.

Let's go to

the cinema
tonight.

How about

playing football
this evening?

Do you mind
if

I open the
window?

If I were
you,

I would do it.

Help

yourself.

That's a

pity!

It was the

worst day
in my life!

Have you
ever

seen a lion?

Baby isn't
sleeping,

is it?

He hates

watering plants!

The more
you study,

the more
clever you are.

The book
was

written by J.K.
Rowling.

What does

she look like?

What is

he like?

How do you
get

to school?

I have never
eaten

so tasty dish.

Are they
arguing

at the
moment?

Does Mary

often skate?

Will you

marry me?

He won the
marathon

last weekend.

I used to
play board

games when I
was a child.

How can I
get to

the nearest
petrol station?

You're

welcome!

I would like
to join to

your team.

Is there any

sugar left?

Whose car

is it?

We arrived

on time.

My car was
broken

so I took a taxi.

I haven't
seen James

for ages.

Enjoy your

meal.

Here you
are. Keep

the change.

Betty is
proud

of her son.

I have a
terrible pain

in my chest.

I know what

you mean.

How many
people did you
invite

to your party?

Excuse me,
what time

is it?

It was such an amazing film.

Keep your fingers crossed.

The same

to you!

Do you need any help?

I'm so glad to see you.

I totally agree with you.

What is it made of?

You can't

be serious!

I don't have

a clue.

With

pleasure.

How do

you do?

I don't

feel well.

It doesn't

matter.

I'm sorry

to hear that.

It's not

my business.

It's very kind of you.

Pleased to meet you.

I'd like to introduce my sister.

It was a pleasure for me.
